City of Hopkinsville Diplomat Program

Sign up for this free six month program, which will include hands-on demonstrations, tours of various city buildings and departments, and fun activities!

Participants will learn how to make municipal government work for them, gain knowledge of local municipal government, and have the opportunity to support their community through service, promotion, and volunteerism.

This educational program is open to adults who live or own a business within Christian County.*

Applicants will be notified if accepted.

The City Diplomat Program is a six month program held on the first Wednesday of each month at 6:00 p.m. beginning in October.
