

Proclamation

- Whereas, despite advances in medical technology and research, men continue to live an average of five years less than women with native American and African-American men having the lowest life expectancy; and
- Whereas, educating the public and health care providers about the importance of a healthy lifestyle and early detection of male health problems will result in reducing rates of mortality from disease; and
- Whereas, men who are educated about the value of preventative health will be more likely to participate in health screening; and
- Whereas, fathers who maintain a healthy lifestyle are role models for their children and have happier, healthier children; and
- Whereas, the United States Congress developed National Men's Health Week as a special campaign to help educate men, boys, and their families about the importance of positive health attitudes and preventative health practices; and
- Whereas, this is an especially appropriate time to focus on a broad range of men's health issues including heart disease, diabetes, mental health as well as prostate, testicular, and colon cancer; and
- Whereas, the citizens of the City of Hopkinsville and Christian County, Kentucky are encouraged to increase awareness of the importance of a healthy lifestyle, regular exercise, and medical check-ups.

NOW, THEREFORE, we, Carter M. Hendricks, Mayor of the City of Hopkinsville, Kentucky and Steve Tribble, Judge Executive of Christian County, Kentucky do hereby proclaim June 2018 as

Men's Health Month

in Hopkinsville and Christian County and encourage all citizens to pursue preventative health practices and early detection efforts.

DATED this 5th day of June 2018.

Carter M. Hendricks, Mayor
City of Hopkinsville

Steve Tribble, Judge/Executive
Christian County
